BLUE AND GOLD CHAMPIONS

On a muddy and slippery field Saturday afternoon out on the Kam campus the Oahu College football eleven demonstrated that they were the superior team and outplayed the heavier Kam team by running up a score of 11-0.

Several hundred spectators gathered on the side lines and watched the long-haired fraternity wallow in the mud. The game was somewhat uninteresting from a spectator's standpoint owing to the condition of the field. It was impossible to play good snappy football and neither team could execute much team work owing to the insecure footing. On account of their superior weight the Kam boys should have made a better showing, but they showed the lack of coaching and were kept on the defensive most of the game. When they did get the ball they were slow and made but little impression on the Punahou line. The Kam back fields were weak in both their running and kicking departments. McDougal outplayed Oliver, the latter getting his kicks away in poor shape. The Kam defense was full of holes and although the Blue and Gold team was playing without the use of Lowrey, their star back, they ran the ends and through the lines for good gains. The Kams found it hard to advance the ball and only made their yards on a couple of occasions. The nearest that they came to the Oahu's goal line was in the second half, when they went through the Blue and Gold's left wing for some good gains. They carried the ball to the 18-yard line and were there held for downs. Quarterback Heen showed good judgment by using a kicking game against the Kam running game. In this way he kept his own goal line safe and wore down the Kam team.

Forward Pass Works
It was with the forward pass that the Oahu scored both touchdowns. This play worked beautifully and although it looked easy to stop still it kept the Kams in the air and worked for many a good gain. The Kams tried this trick twice but made a poor showing by losing the ball in both attempts. The Puns sprung a new one in the form of a forward pass from McDougal after falling back for a kick. In this position he would pass the ball far over the heads of the Kams to his own players who were waiting for it. It was a good play but owing to the wet ground McDougal could not get a good footing to make the long pass. This forward pass was directly responsible for both touchdowns.

Punahou Score
McDougal kicked off at the beginning of the first half, the ball going 25 yards. The College boys played a very open defensive but it proved strong. The Kams were forced to kick. In about five minutes after play started McDougal fell back to try for a field goal but failed in his attempt. The kick was straight but fell short of the mark. Oliver punted twenty yards. The Puns executed the forward pass twice in succession for good gains. The Kams took a brace and held hard but a forward pass from Heen to Lyman did the trick and the first touchdown was made amid cheers from the Punahou rosters. McDougal missed an easy goal. Score 5-0.

The play during the remainder of the half was uninteresting and several exchanges of punts saw the College boys getting the best of the argument. The ball was kept in the Kam territory most of the time. When the referee blew the whistle for the end of the first half the Punahous had the ball on the Kams' 50-yard line.

Second Half
Oliver kicked off 40 yards for the Kams and Lyman ran the ball in 15 yards before he was downed. McDougal executed a fake kick by passing the ball over the heads of the players. The trick failed to work this time. The Kams got the ball and for the first time showed a little dash. They hit the Punahou line hard and made some good gains. They worked the ball to the 18-yard line and were held. The ball was booted out of danger by McDougal. On the running game the Punahous had the best of it. They executed a forward pass for a gain of 20 yards and then the Kams tried the same stunt and lost the ball. The ball was worked to a fair position by the Puns and McDougal missed his second trial at a field goal.

best all-round work for his team. He made some pretty gains and kept his feet well considering the wet ground. McDougal played a strong defense, as did the entire line of Punahou. Oliver and Lota showed up well for the Kams. The latter team tackled way too high and thought more of a runner's neck than they did of his legs.

Coach Reed deserves credit for the good playing and condition of his team. It was thought by many yesterday that the Kams would win, but the playing proved that they were wrong.

This game may end the football season with the Oahu College boys champions unless the Diamond Heads can rustle up a team to play on Thanksgiving Day.

Following is the lineup in Saturday's game:

Oahu College.	Kams.
L. E.	Kahiki
D. Desha	R. E.
F. Hoogs	Kalimapehu

J. Desha	D. Mahukona

The officials were: Referee—Rev. E. B. Turner. Umpires—Messrs. Williamson and Bissell.

The halves were of twenty minutes' duration.

The Kams had no kick coming at the officials.

MAILES AND PUNAHOU WIN

The Punahous made their first appearance of the season on the Soccer field and downed the bluecoats of Uncle Sam's Army by a score of 4 to 0. The Puns played a fair game and always had a lead. Catton and Lo On were the stars of the Blue and Gold team and both played good ball. The left wing of the Puns played fast ball and kept the Soldier lads always on the defensive.

The Infantry team was outclassed in every thing but size, and in this respect they had the best of the Puns. After the first kick-off it was not hard to pick a winner, as the Puns carried the ball through the Soldiers at will. The Soldiers lacked team work and in fact did not try for combinations at all. It seemed as though one Infantryman was in the other's way and they often interfered with one another. The Puns had the first chance to score on a penalty but Catton's try went wide of the mark. They managed to make one goal, however, in the first half.

Goalkeeper Thompson was certainly kept busy in the second half and the Puns took all kinds of shots at him. Some were blocked but three got between the posts. The Soldiers now and then would make a dash but when their forwards had a chance to shoot the mark was missed by many feet. The Soldiers committed a foul in this half and the Puns had a free kick but missed. After outplaying their rivals at every angle of the game the Puns won out by the score of 4-0.

The line-up was:

Infantry.	Punahou.
G.	Lo On
B.	Catton
Van Vliet	McConnell
Douglung	H. B.
Casteday	Mon Yin
Moon	S. Davis
Bishop	Prangwell
F.	
Smith	Crowl
Landis	J. H. Catton
Kimbal	Macaulay
Gittings	Withington
Ewing	Dodge
Referee—J. L. Colburn.	

2-MAILES VS DIAMONDS-0

The second game of the day was played between the Diamond Head Athletic Club and the Mailes. The latter team won by two goals after a pretty struggle as one would want to see on a football field. This game was quite a contrast to the first. Both teams worked well together and showed good football form. The Diamonds had a very fast team and their forwards are a hard combination to beat. As the game progressed the play became faster and toward the last got somewhat rough. Some of the players imagined that they were playing intercollegiate.

Some of the combinations of the two teams were good. Referee Waldron had his hands full and was no in-

terrupting the game that he got into the mix-up and was struck by the ball several times.

The Diamonds lost the game from their inability to shoot. They always chose the wrong time. Fernandez, Woo, Anderson and Desha are going to make it warm for all of the teams before the season is over.

Cattoral scored the first goal for the Mailes after some pretty playing. Geo. Freeth, whom the Mailes picked up the last minute, demonstrated that he can play Soccer as well as he can swim. His work in the left wing of the Mailes was good and his score of a goal three minutes before time was up cinched the game for the Green and Gold team. George made a long dribble before he got into shooting position.

The D. H. boys were very persistent in their efforts and had they been better shots they would have won. Greene and Clark of the Diamond team played very strong defensive ball. The Diamond Heads will make a hard try for the championship.

The line-up:

Mailes.	Diamond Heads.
Chillingworth	Chilton
B.	G.
McGill	Gleason
Anderson	Grubb
H. B.	
Davis	E. Desha
Center	J. Clarke
Kellett	M. Anderson
F.	
Freeth	A. Williams
Cattoral	E. Fernandez
Gray	J. Anderson
Jamieson	J. Woo
Kea	G. Desha
Referee—J. W. Waldron.

CHANCE CHICAGO'S CAPTAIN

When Frank Chance arrived at Los Angeles he carried the following bunch of excess baggage: One gold watch, one chain, a present from Charlie Murphy, owner of the "Spuds"; one loving cup from the Chicago Athletic Club; one diamond ring from the members of the Chicago National baseball team; one watch chain, studded with 14 large diamonds, from George M. Cohan, the "Yankee Doodle boy"; one large chest of silver, containing 294 pieces, from the Chicago Board of Trade; a bear cub with a diamond collar; walking stick, shaving sets, several suits of clothes. These were all presented to "Huck" by Chicago fans. That's what you get for winning a pennant in the Windy City. If his team had defeated the White Sox a freight car would have

been required to bring home the plunder.
